FLI's Case
Management Platform

**100+ Jurisdictions, 17,000 lawyers,
20 years of getting it right for our clients.**

First Law International's member firms have provided legal support to hundreds of clients over the last two decades.

Our experts specialise in small to large-scale cross-border legal projects, enabling each of our clients to achieve growth and success on a global scale.

FLI is a network created by GCs for GCs, supported by GCs; placing us as the cross-border network of choice for businesses worldwide.

FLI's carefully selected and vetted firms share our mission to deliver high quality, timely, legal advice.

All our member firms are highly-ranked Chambers & Partners/Legal 500 firms and are either top-tier or second-tier in their respective jurisdictions.

We are passionate about helping each of our clients get the very best legal support, when they need it. That's why we've taken big steps to ensure FLI stands out from the crowd.

Our values and entrepreneurial approach are why big businesses choose us time and time again as their legal partner. Managing and running a legal department can be stressful at the best of times, that's why you can always count on our motivated cross-border team of experts to stand by you, whenever you need it most

Bridging FLI, Partners & Clients

What Does FLightOne Help with?

FLI's Case Management Platform is a digital portal that bridges FLI Services with Clients and Partners.

The platform ensures user friendly project management and seamless collaboration between legal teams.

- Manage your FLI projects with ease
- Real time project tracking
- Synced content across devices
- Use up to date, consistent information throughout the entire lifecycle of a case
- Communicate with FLI team members in real time
- Share and store documentation

Features

New Projects

- The project form enables you to quickly capture crucial project details to get your project started.

Select partners

- The system will automatically select a list of appropriate FLI partner firms which you can view and select here.

Define locations

- Specify the countries your project will run in and the related services your case demands. This helps us select the relevant partners for your case

A screenshot of the FLI 'Create Project' form. The form is titled 'Create Project' and has a 'SUBMIT' button in the top right corner. It contains several sections: 'Details' with fields for 'NAME' (Covid-19 employment assistance), 'CLIENT' (Bjarke Ingels Group), 'DETAILS' (a text area with a paragraph about COVID-19 policy), 'DUE DATE' (2020-12-20), 'CURRENCY' (US Dollar | USD), 'BUDGET TYPE' (Fixed), 'BUDGET' (US\$80,000.00), 'BUDGET VISIBLE' (a toggle switch), 'COUNTRIES' (Luxembourg, Austria), 'SERVICES' (Administrative), 'PARTNER(S)' (PHH Prochaska Ha... Austria and Vandenbulke Luxembourg, both marked as 'Selected'), and 'SCENARIO' (Shared, Medium Control). At the bottom right are 'Cancel' and 'Save' buttons. A dark sidebar on the left contains navigation links: Dashboard, Projects, Clients, Partners, and Users. The top right of the page shows a user profile for 'Steve Parker' and a search bar.

Features

Approvals

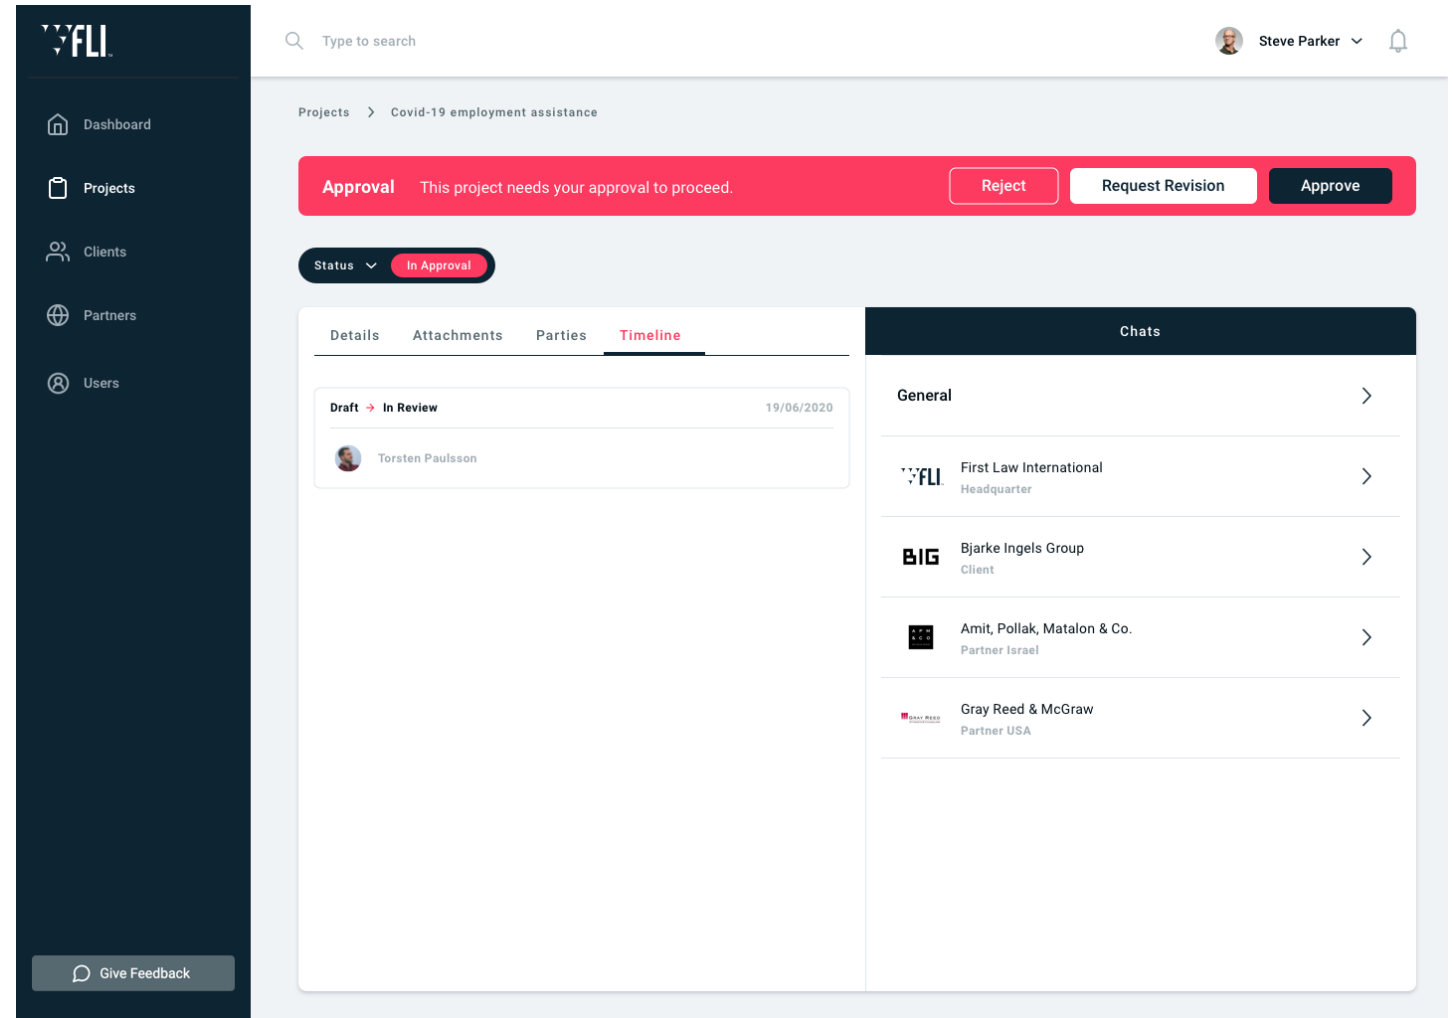

- Before sharing the project with our partners to review, one approval phase is needed. Depending on your level of control, this will only require FLI approval, but it may also require a superior user from your team to do it.

Timeline

- The system will automatically select a list of appropriate FLI partner firms which you can view and select here.

Approval actions

- Here the qualified controller will be able to return the request. A different message will display if you are not the controller.

Features

Details

- When the project is “live” this interface will condense all the necessary actions to run the case.

Review actions

- The partner must check and confirm that there is no conflict of interest before accepting. If a partner firm rejects a case, they will be asked to provide a reason for rejection

The screenshot displays the FLightOne web application interface. On the left is a dark blue sidebar with navigation icons and labels: Dashboard, Projects, Clients, Partners, and Users. At the bottom of the sidebar is a 'Give Feedback' button. The main content area has a top navigation bar with a search icon and the text 'Type to search'. Below this, the breadcrumb 'Projects > Covid-19 employment assistance' is visible. A prominent orange banner at the top of the main content area contains the text 'Review Give your review here.' and two buttons: 'Reject' and 'Accept'. Below the banner, a 'Status' dropdown menu is set to 'In Review'. The main content area is divided into two columns. The left column, titled 'Details', contains tabs for 'Details', 'Attachments', 'Parties', and 'Timeline'. The 'Details' tab is active, showing information for the project 'Covid-19 employment assistance'. This information includes: Posted: 21/06/2020, Deadline: 29/06/2020, Budget: \$80,000.00, Industries: Construction and Manufacturing, and Countries: United States of America and Israel. Notes:

We understand how important it is to work safely and support your workers' and visitors' health and wellbeing during the COVID-19 pandemic and not contribute to the spread of the virus. Our policy is clear that workers should not be forced into an unsafe workplace and the health and safety of workers and visitors, and public health, should not be put at risk. Everyone needs to assess and manage the risks of COVID-19, and in particular businesses should consider the risks to their workers and visitors. We also have a legal responsibility to protect workers and others from risk to their health and safety.
